Proceeding No. 84/2013

INQUIRY REPORT

On the fateful intervening night of 6th & 7th July, 2011, the Complainant/Shri Maximiano F. J. Paes and his wife were brutally assaulted at his residence at Alto-Dabolim which resulted in the death of the wife of the Complainant. The Complainant survived but was left seriously injured and he was in an unconscious state of mind for six days due to multiple injuries to his skull and body.

2. Smt. Athene Pacheco who happens to be the daughter-in-law of the sister of the Complainant, filed a complaint before Verna Police on 07-07-2011 which was treated as First Information Report. As per the FIR, offences were registered u/s 307, 302, 449 and 394 of IPC against unknown culprits for having committed murder of Smt. Yvonne Paes and for attempting to kill Shri Maximiano Filomeno Paes (Complainant) for unlawful gain.

3. The Complainant was admitted to V. M. Salgaonkar Hospital, Chicalim, Vasco and was discharged on 15th July, 2011. The Complainant was also taken to National Institute of Mental Hygiene and Neuro-Science, Bangalore for treatment and to assess and ascertain the damage caused to his neural system. According to the Complainant, during his treatment his memory was hazy and imbalanced and he was in complete distressed and disturbed state of mind. After undergoing treatment at Bangalore in the National Institute of Mental Hygiene and Neuro-Science, his memory started healing gradually and he was able to recall and recollect the past incidents including the brutal assault on him and on his wife.

4. The Complainant has stated that after six days in the Intensive Care Unit of V. M. Salgaonkar Hospital, Chicalim he was permitted by the doctors in attendance to give a dying statement before the Special Judicial Magistrate, Margao in the hospital itself. Due to trauma he could not recall any details at that stage and as such his deposition before the Special Judicial Magistrate was futile. The Complainant made a request to the police for recording his statement afresh before the Special Judicial Magistrate in July, 2012 and gave a fresh statement giving the details of the incident.

5. The Complainant has further stated that he has stated before Verna Police Station and also before the Special Judicial Magistrate, Margao that among the three persons whom he has seen in

the hall of his house during the incident, one of them was Babu alias Parshuram Mathodkar whom he had recognised. He has further stated despite all details given by him before the Police Authorities, no justice has been done to him.

6. This Commission issued notices to the Police Inspector, Verna Police Station and Superintendent of Police (South), Margao. In pursuance to the notices, the Respondents filed reply on 11-10-2013. In their reply the Respondents have stated that the complaint filed by the Complainant before this Commission is false and frivolous to the extent that the Police Authorities have not expedited the matter and that there is a delay on their part to conduct the investigation. The Respondents have stated that the Respondents are trying their level best to pursue the matter and the investigation is under process.

7. During the course of inquiry the Complainant/Shri Maximiano F. J. Paes examined himself as CW1. Respondent No. 1/Shri Rajesh Kumar also examined himself as RW1 in support of the case of the Respondents. This Commission also recorded the statement of Shri Lawrence D'Souza, Dy. Superintendent of Police, Vasco on 07-02-2014.

8. The Complainant in his Affidavit-in-Evidence has stated that on 6th July, 2011 when they went to sleep he heard the sound of breaking of glass. He stepped out into the hall and saw three people there. Babu was standing on one side behind another man of medium height who had something like rod in his hand. He has also stated that he and his wife had clearly identified Babu alias Parshuram Sitaram Mathodkar. He has also stated that he can identify one of the two other people who had accompanied Babu in assaulting them if he sees him again. He has given details of the incident in his Affidavit.

9. Shri Rajesh Kumar/Respondent No.1 in his Affidavit-in-Evidence has stated that the complaint was filed against unknown person and the case is registered under FIR No. 87/11 dated 07-07-2011. He has stated that the investigation is in progress and that there is no delay on the part of police officials to investigate the case. In his cross-examination by the advocate for the Complainant Shri Rajesh Kumar has stated that he did not put in writing the part of interrogation of the said Babu. He has also stated that as far as other IOs are concerned there is also no interrogation sheet. He has also stated that he did not call the Complainant while the said Babu was interrogated for the purpose of confrontation. The other IOs also did not confront the said Babu to the statement of the present Complainant.

10. Shri Lawrence D'Souza, Dy. Superintendent of Police, in his statement before this Commission has stated that Shri Maximiano has disclosed the name of one Babu alias Parshuram Sitaram Mathodkar. The Commission put following question to the said Lawrence D'Souza.

Q: Is there any reason for not involving the said Babu as an alleged suspect inspite of the fact that the witness Maximiano Paes has identified him as alleged suspect and who was knowing him earlier?

Ans: I can answer this question only after the investigation of this case is over.

11. We have gone through the records of this case. We have also heard the learned Advocate Arun Braz D'Sa on behalf of the Complainant and learned Adv. Mrs. Harsha Naik for the Respondents. The learned Advocate Shri Arun Braz D'Sa contended that every citizen is entitled for free and impartial investigation. In support of this contention Shri Braz D'Sa placed reliance on a judgement reported in 2011(4)Bom.C.R.(Cri.) 314. He further contended that this case was investigated by six Investigating Officers. He contended that the interrogation carried out by the IOs was not satisfactory. It is his contention that either the police have deliberately not investigated the case properly or the police were incompetent to do so. On the contrary the learned Adv. Mrs. Harsha Naik for the Respondents submitted that steps are taken by the police to investigate this matter.

12. The materials placed on record reveal that the offences were registered on 07-07-2011. Admittedly no charge-sheet or final report has been filed by the Police before the Judicial Magistrate First Class even though more than two years and seven months have passed. This inordinate delay in the matter of investigation has not been explained by the Investigating Agency satisfactorily. It appears that the Investigation Agency for reasons best known to it, was not at all serious in the matter of investigation of this case although the offences are serious in nature. Admittedly, the victim Shri Maximiano Paes has disclosed the name of Babu alias Parshuram Sitaram Mathodkar during the course of investigation. It may be noted that the said Babu alias Parshuram Sitaram Mathodkar was known to the victim Shri Maximiano Paes and his wife prior to the present incident. The records indicate that the said Babu was in the employment with the Complainant for more than four years and as such he was well known to the Complainant and his wife, since deceased. The Complainant in his

Affidavit has stated that he has clearly named Babu alias Parshuram Sitaram Mathodkar before Verna Police Station on 19-05-2012 and in his statement before the Special Judicial Magistrate on 18-07-2012. There is no justification for not involving the said Babu alias Parshuram Sitaram Mathodkar as suspect. It appears that the present case has not been properly investigated by the police which has caused miscarriage of justice. It is regretted to note that even the Supervisory Officers were totally lethargic in giving proper directions to the concerned Investigation Officers. It is settled law that every citizen is entitled for fair and impartial investigation so also for speedy trial including investigation of crimes. The investigation conducted by Verna Police in this case is far from satisfactory. In the case of Committee for Protection of Democratic Rights, West Bengal reported in 2010(3)S.C.C.571, the Supreme Court has observed that the State has a duty to enforce human rights of a citizen by providing fair and impartial investigation against any person accused of commission of a cognizable offence which may include its own Officers. Looking into the nature of investigation in the present case by Verna Police it is apparent that the human rights of the Complainant stand violated on account of shoddy investigation by Verna Police. It shall be not out of place to mention here that the Complainant is a senior citizen and he is 77 years old. Therefore, the police ought to have given priority in the matter of investigation of this case. We therefore feel that this matter is required a thorough probe by an independent investigation agency in the interest of justice.

13. We therefore recommend that the investigation of this case may be handed over preferably to Central Bureau of Investigation or State Crime Branch, Panaji for further investigation.
